

## DYXnet iPad 2-ONE VPN Bundle

- Take away an iPad 2 by subscribing  
DYXnet ONE VPN service now!

DYXnet introduces to enterprises, with cross-region branch offices or factories in Greater China, a private, fully-managed connection with various options in terms of services, Class of Service (CoS) and Quality of Service (QoS) under our ONE VPN brand.

Leveraging on DYXnet iPad 2-ONE VPN bundle, enterprises not only can enjoy the exceptional manageability and scalability for any-to-any IP connections at an unbeatable price with our ONE VPN global networking solutions, but also monitor the operation of their branches or factories, via iPad 2, anytime, anywhere.

Terms and conditions:

- Offer valid until Jul 31, 2011
- This offer is applicable to new customers subscribing ONEVPN Enterprise, ONEVPN Corporate Plus or ONEVPN Corporate service.
- IPVPN sites cover those DYXnet supported sites in Mainland China, Hong Kong and Taiwan.
- This offer is applicable to a new business contract of 12, 18 or 24 months with minimum contract value of HK\$200,000 (net).
- Offer is available on a first-come, first-served basis.
- DYXnet reserves the right to replace the gift iPad 2 (16GB with Wi-Fi) of similar value if stocks run out.
- New contract customers are only eligible to redeem the gift upon their first month payment of their selected IPVPN service.
- DYXnet reserves the right of final discretion should any disputes arise.
